You Don't Know Like I Know

Peter Frampton

All these years that I've been searching
Lost in the shadow of self doubt
Never knowing where to run to
Trying to figure it all outYeah, there were moments but they didn't last
They say it's my foolish pride
Built a wall around my heart
Kept it all inside
Then You
Came to me
And You
Set me freeI'm crying out but no one hears me
Disappears in the wind
Hear these voices inside me
Echoing the soul within
I was trying to remember
How it feels when things are right
No hope for the future
When there's no love in sightThen You
Came to me
And You
Set me free
