

# You Don't Know Like I Know

Peter Frampton

All these years that I've been searching  
Lost in the shadow of self doubt  
Never knowing where to run to  
Trying to figure it all out Yeah, there were moments but they didn't last  
They say it's my foolish pride  
Built a wall around my heart  
Kept it all inside  
Then You  
Came to me  
And You  
Set me free I'm crying out but no one hears me  
Disappears in the wind  
Hear these voices inside me  
Echoing the soul within  
I was trying to remember  
How it feels when things are right  
No hope for the future  
When there's no love in sight Then You  
Came to me  
And You  
Set me free
