

Music In Your Heart

David LeMair

I saw you comin'™
Walkin'™ down the street.

I saw you comin'™
You were lookin'™ at me.

You were singing a song
In the dead of the night.
You were singing a song

And everybody came to hear you sing
Everybody sang along

I saw you dancin'™
Dancin'™ in the street.
space
You were movin'™ to the rhythm
You were swaying to the beat
You were movin'™ to the rhythm

And everybody came to dance with you
Everybody came to dance

Chorus
Dance dance dance
To the rhythm.
Sing sing sing
To the music.
Dance dance dance
To the rhythm.
Sing sing sing
To the music in your heart.

I saw you comin'™
Walkin'™ down the street.
I saw you movin'™ just want to point out the ~ here
To a crazy beat.

You were singing a song
In the dead of the night
You were singing a song

And everybody came to hear you sing
Everybody sang along
