

Booty

Jennifer Lopez

Big, big booty, what you got a big booty
Big, big booty, what you got a big booty
Big, big booty, what you got a big booty
Big, big booty, what you (Ain't that a freak) Big, big booty, what you got a big booty (My baby, uh)
You're gorgeous
I mean you're fine
You're sexy
But most of all
You are just absolutely booty-full Have you seen her
On the dance floor
She got the boom, shake the room
That's the lightning and the thunder
You wanna meet her
You wanna touch her
See the light in her eyes
And it starts to make you wonder All the sexy girls in the party
Go and grab a man, bring him to the dance floor
Go on let them jeans touch you while you're dancing
It's his birthday, give him what he ask for
(Let me show you how to do it) Big, big booty, what you got a big booty (work)
Big, big booty, what you got a big booty (shake that)
Big, big booty, what you got a big booty (go work)
Big, big booty, what you The way she moves
I know you want her
She light the fire, get you right
That's the lightning and the thunder
You wanna meet her
You gotta touch her
Hold on tight for the ride
'Cause you know you wanna love her All the sexy girls in the party
Go and grab a man, bring him to the dance floor
Go on let them jeans touch you while you're dancing
It's his birthday, give him what he ask for
(Let me show you how to do it) Big, big booty, what you got a big booty (work)
Big, big booty, what you got a big booty (shake that)
Big, big booty, what you got a big booty (go work)
Big, big booty, what you a big booty Booty, booty, booty, booty, booty everywhere
Look at her booty, stop, stare
They love that booty, hell yeah

The way she twerk it, not fair
She got a booty, that'll swallow a thong
And if you do it better do it dirty all night long
Booty, toot it, boot it, you know the plan
So much booty, she could supply the demand
I wanna take that big 'ol booty shopping at the mall
I wanna pick it up and put that booty in my car
Baby your booty is a movie star
Oscar award winner of them all, now give me that
Mesmerized by the size of it
You can fight it if you like take your time
I can guarantee you'll have the time of your life
Throw up your hands if you love a big booty
Big big big big big big booty, what you
Big big big big big big booty, what you
Big big big big big big, big big big
(Let me show you how to do it)
(Work)
(Shake that)
(Go to work) Big, big booty, what you got a big booty
Big, big booty, what you got a big booty
Big, big booty, what you got a big booty
Big, big booty, what you got a big booty (shake that)
