Nothing's Changed

Tricky

Follow where Mary goes
Cherish the things she knows
Says if I change my stride
Then I'll flyNothing's changed
Feel the same
It's just shorter days
Still hurt the sameNothing's changed,
Feel the same
Nothing's changed,
I still feel the sameFollow where Mary goes
Cherish the things she knows
Says if I change my stride
Then I'll flyChange my stride
Don't think I've tried
I was born a king
Streets callingNothing's changed
Feel the same
Nothing's changed
Still feel the sameTricky:
Nothing's changed
I still feel the same

Nothing's changed
Feel the same
