

Theme From Spider Man

Aerosmith

Spider-man, Spider-man
Does whatever a spider can
Spins a web, speed surprise,
Catches thieves, just like flies
Look out! Here comes the Spider-man! Is he strong? Listen, Bud!
He's got radioactive blood.
Can he swing from a thread?
No escape from his spider web
Hey there, there goes the Spider-man! In the chill of night,
At the scene of the crime
Like a laser light
He arrives just in time Spider-man, Spider-man
Friendly neighborhood Spider-man
Wealth and fame, he's ignored
Action is his reward
To him, life is a great big bang-up
Wherever there's a hang-up
You'll find the Spider-man!
