

# So Much It Hurts

## Niki & The Dove

[Intro]

Bring, bring your love[Verse 1]

Oh, I ask you where you've been

Cause you always come home late nowadays

What a fool was I to think that we were safe

From the thieves in the temple

And I go out by myself dancing

And when I come home late, I don't wanna go to bed

I just sit there by the phone " dead silent

Not a single call from you

Thieves in the temple[Pre-Chorus 1]

Oh, but if you said that

For better for worse

You would always be there for me

Always be there for me [x2]

Better for worse, for me

Always be there

You would always be there for me[Chorus]

Bring it back! Ooh!

I need your love so much it hurts

Oh, won't you bring it back? Ooh!

I need your love so much it hurts

Oh, won't you bring it back?[Verse 2]

After all that we've been through together

Is it now you gonna throw it all away?

Oh, a love like ours

Tell me, was it worth it?

The thieves in the temple[Pre-Chorus 2]

Oh, but you said that

For better or for worse

You would always be there for me

Always be there for me [x2]

Like I always sit there for you

Good times and bad times

I'll always be there for you[Chorus]

Bring it back! Ooh!

I need your love so much it hurts

Oh, won't you bring it back? Ooh!

I need your love so much it hurts[Hook]

Oh, won't you bring your love back?  
Bring your love back to me  
Bring your love back, bring your love back to me [x3][Outro]  
What was I thinking, babe, yeah?  
I need you  
Oh, won't you bring it back, yeah?  
I need your love so much it hurts  
Oh, won't you bring your love back?  
Bring your love back to me  
Bring your love back, bring your love back to me [x3]  
Bring your love back to me
