Whatâ€™s In a Kiss

Gilbert O'Sullivan

What's in a kiss?
Have you ever wondered just what it is?
More perhaps than just a moment of bliss
Tell me, what's in a kiss?What's in a dream?
Is it all the things, you'd like to have been?
All the places that you haven't yet seen
Tell me, what's in a dream?I know, it's really rather stupid of me
But I honestly don't know
Every time I try to find a solution
I'm surprised at how quickly I become so slowWhat's in a kiss?
Have you ever wondered just what it is?
More perhaps than just one moment of bliss
Tell me, what's in a kiss?And any time you need a light refreshment
Baby you can count on me
I am your very own delicatessen
Well, equipped to supply you with your every needWell, what's in a kiss?
Have you ever wondered just what it is?
More perhaps than just one moment of bliss
Tell me, what's in a kiss?Tell me, what's in a kiss?
Tell me, what's in a kiss?
