

Only You Lord

[Londa Larmond](#)

Verse 1:

Heaven and earth adore You
We live our lives for You
You're the Author and Finisher of everything
You are, You are
Friend of mine You're holy

Pre Chorus:
I know I serve a mighty God
I know I serve a risen King
You are the ruler of everything
And the whole world will know

Chorus:

When I seek Your face I see glory, glory, glory
When I call on Your name You release mercy, mercy, mercy

Only You Lord

Verse 2:

You have reached down for me
Gave me hope and destiny
I wonder why You love me
I am so undeserving
You still love me

Vamp:

Only You Lord are great
Only You Lord are strong
Only You Lord are mighty
You're mighty
You're mighty

End:

Only You Lord
