

Boomerang (feat. Humble Haitian)

Kodak Black

[Intro]

I be working hard

I be selling hard

I don't keep it in the house its in the backyard [Hook: Kodak Black]

Riding in an old school but its new to me, jumping out I got on all my jewlery

Yeah them boys so strapped they some hooligan

I throw them racks they come right back like boomerang

Riding in a old school but its new to me

Jumping out I got on all my jewelry

Yeah them boys so strapped they some hooligans

I throw them racks they come right back like boomerang [Verse 1: Humble Haitian]

Hey there boo, who are you?

You so sexy, you so fine, can you be my boo?

Close your eyes, tell me what you see?

Do you see me?

Do you see E?

Phone ranging off the hook it won't let me sleep

So I popped me a molly and get on my feet

I be working hard, I be selling hard

I don't keep it in the house its in the backyard

Momma said don't worry cause she got me

She in Haiti

I know she love me

I know she bury heavy candles by me

Little Mama said I be flexing on my IG

Sim simmer let me get my keys

I'm on my road to riches, want to come with me?

Lately I've been feeling like the dope game meant for me

I'm steady whipping in the kitchen steady losing cheese

You my Tinkerbell, I'm your Peter Pan

Lets have a walk by the beach, let me hold your hand

I fuck with you one thousand cause you understand

You my hoe, I'm your only man

You a got nigga sitting in wonderland

Water whipping in the kitchen I don't need no hand

I'm grinding, oh no I don't need no friends

Cause your friends be the ones to cross you in the end

I had a couple boys [?] in the end

I'm sorry lord, I won't do it again

I promise lord I won't do it again
Stay humble, get your money, get out the jungle man[Hook: Kodak Black]
Riding in an old school but its new to me, jumping out I got on all my jewlery
Yeah them boys so strapped they some hooligan
I throw them racks they come right back like boomerang
Riding in a old school but its new to me

Yeah them boys so strapped they some hooligans
