

# Edward the Bear (single version)

## The Damned

Shadows fall in the places we used to play  
My toys have all been packed away  
The rocking horse rocks in its box  
A spinning top and Corporal Clott  
Are a dusty lot Many times I said I'd drop you a line  
I guess I'm just a rotten swine  
Who takes his time  
And walks for fun when she should run  
The damaged one is you old chum Who's the sucker now  
Who's the sucker now Could someone shed some light on this love affair  
And help to make me quite aware  
Of what is meant by wicked thoughts  
That have been sent  
My memory is empty Who's the sucker now  
Who's the sucker now It's too late now there's no time  
The truth is locked in my mind  
To wonder and look in my eyes Who's the sucker now  
Who's the sucker now
