

Home Loan Blues

Simply Red

Just a man, good and sometimes bad
But striving to do the best that I can
Help a hand when the one close by you falls
Understanding can do the rest and that ain't all
Hope I can please you but the truth isn't easy to say
The more that you're spending the more it'll get in your way
I say it to please you to forget what you have done, so pray
I got the blues from the debt of the people today
You can have it all but you've got to pay
You can have it all don't pay me today
Wotcha man as the bills around you grow
Providing you take a loan to pay for them all
Help a hand when the one close by you falls
Depending if the fool keeps spending it all
You can have it all but you've got to pay
(You can have it)
Credit cards, mortgage, home loans for your holiday
