

Show Me Love (Stonebridge Club Mix)

Robin S.

Ahh, yeah yeah
Youve got to show me loveHeartbreaks and promises
 Ive had more than my share
 Im tired of giving my love
And getting nowhere, nowhereWhat I need is somebody
 Who really cares
 I really need a lover
A lover that wants to be thereIts been so long
 Since I touched a wanting hand
 I cant put my love on the line
That I hope youll understandSo baby if you want me
 Youve got to show me love
 Words are so easy to say, oh ah yeah
Youve got to show me loveIm tired of getting caught up
 In those one night affairs
 What I really need is somebody
Who will always be thereDont you promise me the world
 All that Ive already heard
 This time around for me baby
Actions speak louder than wordsIf youre looking for devotion, talk to me
 Come with your heart in your hand
Because my love is guaranteedSo baby if you want me
 Youve got to show me love
 Words are so easy to say, oh ah yeah
Youve got to show me loveShow me, show me baby
 Youve got to give it to me
 Give it to me, give it to me, yeah
 I dont want no fakes, dont want no phoney
I need your loveShow me, show me, show me baby
 Give it to me, give it to me
 I am not a toy, Im not a play thang
Youve got to understandIf youre looking for devotion, talk to me
 Come with your heart in your hand
 Because my love is guaranteed
 Yeah, yeah, yeah, yeah, yeah
