

Evil Is Good

The Frankenstein Drag Queens from Planet 13

Advisory - the following lyrics contain explicit language:

Well, God gave us a big black eye
And the Devil puts a steak on it
And says it's alright
They tell us we must choose a side
Well why does the darker one
Seem so bright? Well, the world's telling us we're doomed
And they don't approve of
And magic with brooms
Well, now I've got a question for you
Well, if God's so fucking perfect
Why did he fuck up on you? They tell us if we pray
That when we die
We will go to a better place
Well I don't wanna do
The things I should
'Cause it feels good to be evil
'Cause evil is good Well, you go to church on Sunday
To wash away the shit
You did the past 6 days
Now you're on your knees to pray
Well we pray your stupid God
Will come and take you away
