

**XXX**

**Nasty Savage**

Take a trip down lover's lane  
Take that trip, it's time to play  
Adult entertainment, you must be of age  
Come and get wild, climb out of your cagexxx  
Triplex You feel like you're under the spiked hell  
The crack of the whip gives great thrills  
She soars to heights, loves her delights  
The foreplay is gone, the seduction is on  
She's the ultimate pro who puts on the show  
As she had me tied she molested my mind  
Exciting herseep, I could have cried  
Now I know how she loves to be wildxxx  
In her pants You took a trip down lover's lane  
Now you're gone, you won't be the same  
Cinema fantasies, night clubs and shows  
All the women, you never can know
