

# Unleash

## Soulfly

War after war  
the lion roar  
Hell after hell  
Cambodian death bellsScum after scum  
they blot out the sun  
Hill after hills  
in the killing fieldsNo more fear of failure  
No more sufferingNo more lies,  
I will arise  
From blood-filled rivers  
of my enemiesUnleash war  
Unleash my wrath  
Unleash revenge  
Unleash my hellPig after pig  
the blood runs cold  
Stone after stone  
the kingdom comesDoom after doom  
the fallen ruins  
Hate after hate  
theres no escapeUnleash war  
Unleash my wrath  
Unleash revenge  
Unleash my hellNo more scars  
of judgementNo more tolerance  
No more compromise,  
I stand baptized in fireUnleashing my revenge  
Unleash war  
Unleash my wrathUnleash revenge  
Unleash my hellFucked up,  
you never ever learnIve reached the point  
of no returnNo I cant take it  
anymoreYoure borrowing  
the blood I earnedFrom onslaught  
to oblivionYoure never  
taking me aliveVictimized, brutalized,  
terrorized, crucified,Crucified In the heavy  
side of life we liveIts not how we chose,  
but it is how it fucking isUnleash! Unleash!  
Unleash!
