If I Should Fall Behind

Bruce Springsteen with the Sessions Band

We said we'd walk together
Baby come what may
Back from the twilight
Should we lose our way
As we were walking
A hand should slip free
I'll wait for you
Should I fall behind wait for me
Swore we'd travel together
Darlin' side by side
We'd help each other
Stay in stride
Each lover steps on
So differently
So I'll wait for you
Should I fall behind wait for me
Everyone dreams of
A love lasting and true
You and I know what this world can do

So let's make ourselves be
That the other may see
And I'll wait for you
Should I fall behind wait for me
There's a beautiful river
In the valley ahead
There need be no drought
Soon we will wed
Should we lose each other
In the shadow of the evening dreams
Oh, I'll wait for you
Should I fall behind wait for me
Darlin' I'll wait for you
Should I fall behind wait for me
Wait for me
If I should fall behind wait for me
Wait for me
