If I Should Fall Behind

Bruce Springsteen with the Sessions Band

We said we'd walk together Baby come what may Back from the twilight Should we lose our way As we were walking A hand should slip free I'll wait for you Should I fall behind wait for me Swore we'd travel together Darlin' side by side We'd help each other Stay in stride Each lover steps on So differently So I'll wait for you Should I fall behind wait for me Everyone dreams of A love lasting and true You and I know what this world can do

So let's make ourselves be That the other may see And I'll wait for you Should I fall behind wait for me There's a beautiful river In the valley ahead There need be no drought Soon we will wed Should we lose each other In the shadow of the evening dreams Oh, I'll wait for you Should I fall behind wait for me Darlin' I'll wait for you Should I fall behind wait for me Wait for me If I should fall behind wait for me Wait for me
