

King Of Emotion

Big Country

One, two

One, two

Three, fourI know where all that time has gone
Blown and drifted, listening to an August night

I see where I was wrong

How could I know that you were right?When you said I would need something wild

Something crazy to carry me

I would see you naked and weary

But with pride in your eyes that put shame in meI wait to find the things I need but I knowI want that love, king
of emotion

Stronger than you and so much deeper than me

I know that love is king of emotion

King of emotion take a walk with meSay, na na, na na, du, di di
Na na, na na na, du du

I know that love is king of emotion

King of emotion take a walk with meYou know where all that time was gone

Grown up and left, washed out like an April day

See all those pretty little things you knew

Worn and faded, they lie cast awayYou said, you would need something wild
Something special to carry you

You would see me naked and weary

But with pride in my eyes that put shame in youUntil you find the things you need I knowI want that love, king
of emotion

Stronger than you and so much deeper than me

I know that love is king of emotion

King of emotion take a walk with meSay, na na, na na, du, di, di
Na na, na na na, du du

I know that love is king of emotion

King of emotion take a walk with meUntil we find the things we need, I knowI want that love, king of emotion
Stronger than you and so much deeper than me

I know that love is king of emotion

King of emotion take a walk with meI want that love, king of emotion
Stronger than you and so much deeper than me

I know that love is king of emotion

King of emotion take a walk with meSay, na na, na na, du, di, di
Na na, na na na, du du

I know that love is king of emotion
