

# Tonight Will Be Fine (Teddy Thompson)

Leonard Cohen

Sometimes I find I get to  
Thinking of the past  
We swore to each other then  
Our love would surely last You kept right on loving  
I went on a fast  
Now I am too thin  
And your love is too vast But I know from your eyes  
And I know from your smile  
That tonight will be fine  
Will be fine, will be fine, will be fine  
For a while I choose the rooms that I live in with care  
The windows are small and the walls almost bare  
There's only one bed and there's only one prayer  
I listen all night for your step on the stair But I know from your eyes  
And I know from your smile  
That tonight will be fine  
Will be fine, will be fine, will be fine  
For a while Oh, sometimes I see her undressing for me  
She's the soft naked lady love meant her to be  
And she's moving her body so brave and so free  
If I've got to remember that's a fine memory And I know from her eyes  
And I know from her smile  
That tonight will be fine  
Will be fine, will be fine, will be fine  
For a while And I know  
And I know  
And I know
