Time Stops (feat. Danyka Nadeau)

Virtual Riot

I think I'm finally giving in
I'll let our love win
Bring me back to shore
Cause this is never gonna change
Only foolish games
You take my breath awayCause when I look at youTime stops
[4x]I think I'm finally giving in
I'll let our love win
Bring me back to shoreNothing compares
To my heart
For you're the only thing
That's real to meI think I'm finally giving in
I'll let your love in
Bring me back to shore
Cause this is never gonna change
Only foolish games
You take my breath awayNothing compares
How my heart
Boy you're the only thing
That's real to meCause when I look at you
Oooh, Oooh
Time stops
Time stops
OoohI think I'm finally giving in
I'll let our love win
Bring me back to shore
Nothing compares
How my heart for you're the only thing
That's real to me
