

# Hard Candy

## Blue October

I used to act like a soldier  
I never even picked up a gun  
I used to dress like a hooker  
But never seemed to hook anyone  
I used to flow like a river  
Burning bridges people could cross  
I used to think I was a looker  
But look at all the shit that I lost I took it all the way  
Full throttle 'til I lost control  
Hard candy all the way  
Full throttle 'til I lose control  
A hard candy sick  
A hard candy crawl  
A hard candy pill  
You take and dissolve  
How can we say  
that we ever stood tall  
How can we fill you up  
And make you tall I used to think I had flavor  
'Til I left an awful taste on her tongue.  
I used to think I was a savior  
But never seemed to save anyone Take it all the way  
Full throttle 'til we lose control  
Hard candy all the way  
Full throttle lose control I took it all the way  
Full throttle 'til I lose control  
Hard candy all the way  
Full throttle lose control A hard candy sick  
A hard candy crawl  
A hard candy pill  
You take and dissolve  
How can we say  
that we ever stood tall  
How can we fill you up  
And make you tall Take it all the way  
Full throttle 'til we lose control  
Hard candy all the way  
Full throttle lose control
