Twisted

Brian McFadden

It's the end of the way that it used to be
Sipping on my guilt under a willow tree cause I'm
TwistedDancing in my head to a funked up beat
Tripping on the corner of a two way street
And, I smile a twisted smile when I sayLet the world keep turning
Cause I'll be standing still
And the Earth feels closer to heaven
Just because you're here
I've been chased by angels
I've been drunk out of my mind
And the Earth feels better than heaven
Just because you're hereTwisted
TwistedSeeing my reflection in the concrete ground
Leaving my theories on the merry go round cause I'm
TwistedTrying to make sense of a traffic sign
Searching for the genius in a nursery rhyme
And, I smile a twisted smile when I sayLet the world keep turning
Cause I'll be standing still
And the Earth feels closer to heaven
Just because you're here
I've been chased by angels
I've been drunk out of my mind
And the Earth feels better than heaven
Just because you're hereTwisted
