Mighty To Save

Newsboys

Shine your light and let the whole world see
Shine your light and let the whole world see
Everyone needs compassion, love that's never failing
Let mercy fall on me
Everyone needs forgiveness, the kindness of a saviour
The hope of nations
Saviour, He can move the mountains
My God is mighty to save
He is mighty to save
Forever, author of salvation
He rose and conquered the grave
Jesus conquered the grave
Shine your light and let the whole world see
Shine your light and let the whole world see
So take me as you find me - all my fears and failures
Fill my life again
I give my life to follow everything I believe in
Now I surrender

We're singing shine your light and let the whole world see
We're singing for the glory of the risen King
Saviour, He can move the mountains
My God is mighty to save
He is mighty to save
Forever, author of salvation
He rose and conquered the grave
Jesus conquered the grave
We're singing shine your light and let the whole world see
We're singing for the glory of the risen king
My Saviour, You can move the mountains
You are mighty to save
You are mighty to save
Forever, author of salvation
You rose and conquered the grave
Oh You conquered the grave
Shine your light and let the whole world see
We're singing for the glory of the risen King
