## **Made of Glass**

## **Trapt**

Uh uh, nuh uh

Nuh uh, nuh uhI don't know anything at all and I'm somebody else
It could take years to find you, it could take years to find myself
And I don't need to hear your answer, I just need you to see
That I think it's time to break down these walls that we throw upAm I still breathing, have I lost that feeling?
Am I made of glass? 'Cause you see right through me
I don't know who I am and you're the only one who sees that
I can't ask these questions that cannot be answered todayNuh uh, nuh uh
Nuh uh, nuh uh

Nuh uh, nuh uhAnd even if everything goes wrong and we start to fall apart
I will understand where you are, and I will understand this by myself
And I don't need to hear your answer I just need you to feel
Like there are no boundaries at allAm I still breathing? Have I lost that feeling?
Am I made of glass? 'Cause you see right through me
I don't know who I am and you're the only one who sees that
I can't ask these questions that cannot be answered todayAnd I am mine today
Whoa oh oh today

And I don't matter todayAnd how far have we come? Too far to throw away the past Would you be there waiting for me?

I have to ask what we are, if I ask today it just won't last
So I'll be here waiting for youWill we ever feel this good again?
Will we ever feel this real again? Again
Will you ever be mine again?
Will we ever feel this real again?Not today, today

And I am mine today
Whoa oh oh, today
I don't matter today
