

Dance Nagasaki

The Jude

I can't take it when you fake it
But I know you never do wrong
Yeah you're going nowhere don't we know it
Go back to where you belong
Telephone's ringing always selling something
Why can't you just leave me alone
Can't understand a single word you're saying
When you call me up on the phone Oh you gotta get away
Gotta let go gotta let go
Oh you gotta get away now
Gotta let go gotta let go Dance Nagasaki looking for some action
Living someone else's dream
Sunset cruisin' backseat make-up
Just another night on the scene
Dance Nagasaki shooting neon sunshine
In the valley of the dolls
Drop a dime with jukebox rabbit
This just ain't Seneca Falls Oh you gotta get away
Gotta let go gotta let go
Girl you gotta get away
Gotta let go gotta let go
Girl you gotta get away
Gotta let go gotta let go
Girl you gotta get away now
Gotta let go gotta let go I was driving you were stranded
Standing at the side of the road
I was listening to the Faces
But you wanna put on the Stones
Drove you all the way to 'Frisco
Now you found a way to get high
Drug sick starlet shooting skyward
You better be ready to fly Oh you gotta get away
Gotta let go gotta let go
Oh you gotta get away
Gotta let go gotta let go
Girl you gotta get away now
Gotta let go gotta let go
Girl you gotta get away
Gotta let go gotta let go

Go Go Go Go
