# Open Road

## Bryan Adams

I'm sitting at the wheel
I got a green light
I'm not afraid of nothin'
'Cause heart and soul
I'm built for lifeSo let the engine roar
Push the pedal down
I want the white lines on the highway
To lead me out of townI'm rolling on and on and on
Who knows where I'm goin'?
Life is an open road, it's the best story never told
It's an endless sky, it's the deepest sea
Life is an open road to me
Life is an open road to meI got headlights
To guide me through the night
I got the window down
And the radio playing
It makes me feel aliveI'm rolling on and on and on
Who knows where I'm goin'?
Life is an open road, it's the best story never told
It's an endless sky, it's the deepest sea
Life is an open road to me
Life is an open road to me
Yeah, life's an open roadLife is an open road, it's the best story never told
It's an endless sky, it's the deepest sea
Life is an open road to me
Life is an open road to me
Yeah, life's and open roadOh, yeah
Yeah and I'm built for life
Life is an open road to me
