

# You've Got a Way

[Shania Twain](#)

You've got a way with me  
Somehow you got me to believe  
In everything that I could be  
I've gotta say you really got a way You've got a way it seems  
You gave me faith to find my dreams  
You'll never know just what that means  
Can't you see you got a way with me It's in the way you want me  
It's in the way you hold me  
The way you show me just what love's made of  
It's in the way we make love You've got a way with words  
You get me smiling even when it hurts  
There's no way to measure what your love is worth  
I can't believe the way you get through to me It's in the way you want me  
It's in the way you hold me  
The way you show me just what love's made of  
It's in the way we make love Oh, how I adore you  
Like no one before you  
I love you just the way you are It's in the way you want me  
Oh it's in the way you hold me  
The way you show me just what love's made of  
It's in the way we make love It's just the way you are
