

Since I Met You

Crosby, Stills & Nash

Since I met you In the time it takes to count from one to four
I'll be back and asking you, "Is there more?"
Yes it is, all about your loving
I am yours, I can't get enough of your love Since I met you Might be all about I like the things you say
I don't really care, do you? Either way, yeah
Feeling very strong about you
I don't want to live without your love Since I met you, yeah I met you, I became a stronger man
Trying too hard to prove too much before
If you're trying to relax, don't ask questions
That will surely tax you later on You'll have your answer Best of all you never worry, but always care
All you need to know is that I am there, yes I am
Don't know why you ever chose me
Heaven knows, we certainly have loved enough Since I met you Since I met you
Since I met you, girl Since I met you
Since I met you, girl Since I met you
Since I met you, girl, girl, girl
