

# World War III

## T.S.O.L.

Jimmy carter ran for President again  
You voted for who you want but the Government wins  
It's not a question of who can do the job  
It's just a matter of how much money you have  
In the world war three  
World war three  
Where do I stand in this form of power?  
Where do I fit in this Government?  
I find no choice  
Third world war  
And you're the victims  
Third world war  
And you're the victims  
If I don't register, I have to pay  
I refuse to go there's no fuckin' way  
The systems lookin' for a drastic change  
Don't look at me 'cause I'm out of your range  
In the world war three  
World war three  
Where do I stand in this form of power?  
Where do I fit in this Government?  
I find no choice  
Third world war  
And you're the victims  
Third world war  
And you're the victims  
In the world war three  
World war three  
Where do I stand in this form of power?  
Where do I fit in this Government?  
I find no choice  
Third world war  
And you're the victims  
Third world war  
And you're the victims  
Don't go  
Don't go  
Don't go  
I won't go  
I won't go  
I won't go  
Don't go  
Don't go

Don't go I won't go  
I won't go  
I won't go  
I won't go Don't go
