

# Pardon Me

## White River

### PARDON ME

Pardon me, just a few minutes please  
I know itâ€™s been a while since you heard from me  
    You knew why Iâ€™m calling  
    Lord You knew what I need  
So please hear my cry, Iâ€™m doinâ€™ hard time  
    Pardon me

Lord Iâ€™m on the bottom  
    With no place to go  
Without You Iâ€™ll never find my way back home  
Even thoâ€™ Iâ€™ve done wrong, my intensions were right  
    So Lord if Youâ€™re listening  
    Itâ€™s me one more time

Bridge:  
Iâ€™ve always been, The kind of a man  
    Tries to get back on his own  
Now Iâ€™m on my knees, and Iâ€™m askinâ€™ please  
    Donâ€™t leave me here all alone
