

Paid Like This

Stereos

Mama said you get paid like this
You get like this, mama said
Mama said you get paid like this
You get paid like this, my mama said
My mama told me that from the day
I'll get my money and get paid
And then I'll come in and know
So get the money, here I go
I wanna get the money because I know its better
I wanna get the money because I know that I'm inside
We're never inside, we never agree anymore
My mama told me
Mama said you get paid like this
You get like this, mama said
Mama said you get paid like this
You get paid like this, my mama said
I used to dream about the day
When all the money comes my way
When the money's coming around
Then I'll know you'll be down
I wanna get the money because I know its better
I wanna get the money because I know that I'm inside
We're never inside, we never agree anymore
My mama told me
Mama said you get paid like this
You get like this, mama said
Mama said you get paid like this
You get paid like this, my mama said
Alright, check it out, check it out
My mama always told me I'll get paid like this
Hold up, now you know what I'm about
Now you don't gotta hate just because I'm paid like this
Alright, check it out, check it out
My mama always told me I'll get paid like this
Hold up, now you know what I'm about
Now you don't gotta hate just because I'm paid like this
Mama said you get paid like this
You get like this, mama said
Mama said you get paid like this
You get paid like this, my mama said
Mama said you get paid like this
You get like this, mama said
Mama said you get paid like this
You get paid like this, my mama said
