

Save the Lies

Gabriella Cilmi

I'd like to find something
I got my best dress on
And I'll play from 'Dusk Till Dawn'
And 'When You Sleep Tonight'I'd hold my pillow tight
I'd turn all the lights offOh, I say, don't say
That you're up to nothing
Your sure up to something
Today, boy I'll start a laughing
'Cause you will paySave the lies I'm a saying
I might get a bit rough
If he ain't good to me
Oh, good to meSo I say with a smile
'Cause I know that he'll be good
You better be good to me
You better be goodYou better treat me nice
Or I'll come back to bite
Boy, just you wait
And see I'll throw you
In skin deep into reality
No this ain't fantasyOh, I say, don't say
That you're up to nothing
Your sure up to something
Today, boy I'll start a laughing
'Cause you will paySave the lies, I'm a saying
I might get a bit rough
If he ain't good to me
Oh, good to meSo I say with a smile
Cause I know that he'll be good
You better be good to me
You better be goodSave the lies I'm a saying
I might get a bit rough
If he ain't good to me
Oh, good to meSo I say with a smile
'Cause I know that he'll be good
You better be good to me
You better be goodGonna set your bright, soul alight
I'm gonna play my right card tonight
I'm gonna fly my bike, ride my kite
I'm gonna eat you up bite you by theGonna set your bright soul alight

I'm gonna play my right card tonight
I'm gonna fly my bike ride my kite
I'm gonna eat you up bite you by the Save the lies I'm a saying
I might get a bit rough
If he ain't good to me
Oh, good to me So I say with a smile
'Cause I know that he'll be good
You better be good to me
You better be good
