

# Female of the Species

## Space

A thousand thundering thrills await me  
Facing insurmountable odds greatly  
The female of the species is more deadly than the male Shock, shock horror, horror, shock, shock horror  
I'll shout myself hoarse for your supernatural force  
The female of the species is more deadly than the male Oh, she deals in witchcraft  
And one kiss and I'm zapped, oh How can heaven hold a place for me  
When a girl like you has cast her spell on me?  
Oh, how can heaven hold a place for me  
When a girl like you has cast her spell on me? Frankenstein and Dracula have nothing on you  
Jekyll and Hyde join the back of the queue  
The female of the species is more deadly than the male For she wants to conquer the world completely  
But first she'll conquer me discreetly  
The female of the species is more deadly than the male Oh, she deals in witchcraft  
And one kiss and I'm zapped, oh How can heaven hold a place for me  
When a girl like you has cast her spell on me?  
Oh, how can heaven hold a place for me  
When a girl like you has cast her spell on me? Oh, how can heaven hold a place for me  
When a girl like you has cast her spell on me?  
Oh, how can heaven hold a place for me  
When a girl like you has cast her spell on me?
