

I Love It When We Do

Ronan Keating

I love it when we do what we do when we do
I love it when we do what we do when we do
Do what we do when we do, yeah When you're around, the sun is always shining
And since we've met I haven't once stopped smiling, yeah
The love I feel for you is almost blinding, yeah Running up and down the street
Hugging everyone I meet
Now you love me, life is sweet
When I got you in my arms
Can't turn off the fire alarms, yeah I love it when we do what we do
'Cuz we do what we do 'til it's done
I love the way we do what we do
'Cuz we do what we do and it's fun
You're the one When you're around my eyes will never wander
And no one else I've ever been more fonder of
So baby, don't you break this spell I'm under, yeah When I look into your eyes I don't have to fantasize
You're a dream that's realized
I'm dancing on the moon inside
If life is cruel then someone lied, yeah I love it when we do what we do
'Cuz we do what we do 'til it's done
I love the way we do what we do
'Cuz we do what we do and it's fun
You're the one I dig it when we kiss and we hug
And you're cuter than a bug in a rug, my love When you and me
Turn into us
It makes me cry
It makes me trust I love it when we do what we do
What we do, what we do
What we do, what we do, what we I love it when we do what we do
'Cuz we do what we do 'til it's done
You're the one I love the way we do what we do
'Cuz we do what we do and it's fun
You're the one I dig it when we kiss and we hug
And you're cuter than a bug in a rug, my love
I love it when we do, yeah, my love You and me
Taste so sweet
So much fun
You're the one You and me
Taste so sweet
So much fun
