## NOFX

We're professional punkers , we come from the suburbs  
After fifteen years , we're still having fun  
Now we're over thirty, not looking so pretty  
At least we got a beat up accordian That's Erik, our drummer, his father's a plumber  
He drank enough booze to get Rhode Island drunk  
Now sober but smelly, he's got one big belly  
From living the good life provided by punk Singin', singin', singin' Buy me a becks beer or pass me a bong  
Gimme some bushmills, I'll sing you this song  
Open another big box of cheap wine  
We're over thirty, we're doin' just fine If he is not satanic, he's one hip hispanic  
He grew up with one dozen cousins and kin  
He wears baggy pants, he know how to break dance  
You've seen him do every impersonation That's Melvin on six string, some tell me I can't sing  
Oh, I think you can, just don't do it 'round me  
Stick with what you know, playing guitar solo  
With Hetson and Watt in punk rock karaoke Singin', singin', singin' Buy me a becks beer or pass me a bong  
Gimme some bushmills, I'll sing you this song  
Open another big box of cheap wine  
We're over thirty, we're doin' just fine My name is Fat Mike, I'm obsessed with big lesbians  
I've been a punk rocker for most of my life  
I sing kinda flat, I'm not really so fat, but that's how I hit them  
With hook or a slice I'm Kent, I do sound, look he's getting so round  
I'm Timmy the turtle, he counts and he clicks  
I'm Jay, I don't care, someone please cut his hair  
I'm Limo from Scotland so give me haggis Singin', singin', singin' Buy me a becks beer or pass me a bong  
Gimme some bushmills, I'll sing you this song  
Open another big box of cheap wine  
We're over thirty, we're doin' just fine Buy me a becks beer or pass me a bong  
Gimme some bushmills, I'll sing you this song  
Buy me a quaalide or chop we a line  
We're pushin' forty, we're doin' just fine Buy me a casual, pass me a bong  
Give me Glen Lebbit, I'll sing you this song  
Open another big box of cheap wine  
If you take the low road then I'll take the high
