

Sand in My Shoes

Dido

Two weeks away feels like the whole world should have changed
But I'm home now and things still look the same
I think I'll leave it till tomorrow to unpack
Try to forget for one more night that I'm back in my flat
On the road where the cars never stop
Going through the night
To a life where I can't watch the sunset
I don't have time, I don't have time
I've still got sand in my shoes and I can't shake the thought of you
I should get on forget you but why would I want to
I know we said goodbye, anything else would've been confused
But I wanna see you again
Tomorrow's back to work and down to sanity
Should run a bath and then clear up the mess I made before I left here
Try to remind myself that I was happy here before
I knew that I could get on a plane and fly away
From the road where the cars never stop
Going through the night
To a life where I can watch the sunset
And take my time, take all our time
I've still got sand in my shoes and I can't shake the thought of you
I should get on forget you but why would I want to
I know we said goodbye, anything else would've been confused
But I wanna see you again, I wanna see you again
I wanna see you again
Two weeks away, all it takes
To change and turn me around I've fallen
I walked away and never said
That I wanted to see you again
I've still got sand in my shoes and I can't shake the thought of you
I should get on forget you but why would I want to
I know we said goodbye, anything else would've been confused
But I wanna see you again
I've still got sand in my shoes and I can't shake the thought of you
I should get on forget you but why would I want to
I know we said goodbye, anything else would've been confused
But I wanna see you again, I wanna see you again
I wanna see you again
