

Nobody Hears

Suicidal Tendencies

I talk through my eyes, the words pourin' down
Nobody hears
You ask me what's wrong, but what can I say
Nobody hears I try to tell you
I try to show you
How else can I tell you?
How else can I show you? I'm screaming inside, why can't you hear?
Nobody hears
You're looking right though me like I'm not here
Nobody hears When the last tear falls down
Nothing gets washed away
Another plea put to rest
As nobody hears, nobody hears So what did I do to you
That makes you run from me?
Now I'm sitting here screaming inside myself
Don't understand why nobody hears You figured it and shaped it to your perfection
Nobody hears
Subtracted my feelings from this equation
Nobody hears Is it all in my mind?
All in my mind
Then it would be easy to find
Easy to find When the last tear falls down
Nothing gets washed away
Another plea put to rest
As nobody hears, nobody hears So what did I do to you
That makes you run from me?
Now I'm sitting here screaming inside myself
Don't understand why nobody hears So if it's all
If it's all in my mind
Then wouldn't it, wouldn't it
Wouldn't it be so easy to find? When the last tear falls down
Nothing gets washed away
Another plea put to rest
As nobody hears, nobody hears So what do I have to do
To make you comfort me?
Now I'm sitting here screaming inside myself
Don't understand why nobody hears So I'm sitting here screaming inside myself
Well I'm sitting here crying inside myself
So I'm sitting here screaming to nobody else

Don't understand why nobody hears
And nobody hears, nobody hears, nobody hears, nobody hears
