

# Lovely

## Case

So lovely , I seen you so many time before  
I just gotta tell you...

Something on my mind I need to get it through to you  
Understand i'm so infatuated by you  
You and me would be so hot I can not explain  
You're so beautiful I only wish I could know your name

(Chorus)  
You are  
Lovely ( uuhh wee)  
Is what I call you babe  
Cause I don't know your name baby  
Lovely  
Seen you A million times you're always on my mind baby Lovely  
Damn I wish we could chill but if we can't your still  
To me lovely  
Lovely is what your are to me

I've been watching you so long  
I can't believe you're real  
Only lately got the nerve up to let you know the deal  
And to say it in a letter , better yet in this song  
Your so beautiful baby won't you just put me on

Chorus

Bridge:  
Baby I wish that you could see  
That i need loving like yours baby I  
Wishing you could be the  
Love that I go home to every night  
Hoping you and me  
Could just be one in the same baby  
You are so beautiful I just can't believe it

Chorus  
Ad-lib out

---
