Catch Me If You Can

Alice Cooper

She was not the first
And he won't be my last
My hunger and my thirst
My brilliant future
And my ugly pastThey'll all be here with me
'Til my web is spun
My blessing and my curse
There'll be no rest
Until my work is doneCatch me, catch me if you can
Catch me, catch me when you can
I can't control myselfYou won't have a clue
Of what is coming next
What I'm gonna do
Surely classical in its effectWhich limb will I choose?
Which one gets sawn in half?
Which leg would you lose?
To an arachnophobic psychopathCatch me, catch me if you can
I wrestled with the devil and I'll do it again
Catch me, catch me when you can
I can't control myselfCatch me, catch me if you can
I'm scheming with the demons and I'll do it again
Catch me, catch me when you can
I can't control myself, I can't control myselfCatch me, catch me if you can
Catch me, catch me when you can
Catch me, catch me if you can
I'm scheming with the demons and I'll do it againCatch me, catch me when you can
I can't control myself, I just can't control myself
I'm scheming with the demons and I'll do it againI wrestled with the devil and I'll do it again
I'm scheming with the demons and I'll do it again
