## No Wrong No Right

## **Soundgarden**

Lyrics by chris cornell Music by hiro yamamotoWatch for vipers and poison snakes Feeling fingers make no mistake Grabbing that pull your hair Stealing everything there, everything Restless widow in the dark Careless looks for a spark Near the trap fate rears it's head No hesitstion, victim dead Just from the start it's the endAnd it's all the same in the end It's all the same in the endSpider moving up your wall To the ceiling he slowly crawls Weaves a web above your bed Egg that cracks falls on your head And it's all the same It's all the same No hesitation, victim dead Just from the start it's the endNo wrong no right or guilt admission It's all the same You've been bitten, you've been bitten
