

Lullaby

The Builders and The Butchers

And it's time
Its time
It's time
We made ashes of our bones
our bones (x3)
And it's time
it's time
it's time
We made dust out of our bones
Our bones (x3) Makin' pennies for a living
Ain't no kind of livin'
So killin' is better than livin'
If you are makin' pennies for a livin'
Ain't no kind of livin'
So killin' is better than livin'
If you are alone
The rain came down like hell
It stops the river banks
and its washed away the wishing well
At the very same time
Lightning in the sky
and those who survive
Can sing with me a lullaby
It goes la, da, da, la, da, da, dum
If there's a sorrow in your eye
I'll meet you in the by and by
It goes la, da, da, la, da, da, dum
I'll sing a weary tune for you
I'll be the needle sewing you
It goes la, da, da, la, da, da, dum
I'll never have to be alone
I'll turn all of your dust into my
And it's time
Its time
It's time
We made ashes of our bones
our bones (x3)
And it's time
it's time

it's time
We made dust out of our bones
Our bones (x3)The rain came down like hell

At the very same time
