Smart Bomb

Vex'd

Rain on me, oh, friendly fire
(Smart bomb)
Me an' Audrey gonna sing it for ya
(Smart bomb)
A headache pill to die for
(Smart bomb)
From all participating stores
(Smart bomb)
Ooh ooh
(Smart bomb)Shine on me, oh, benign virus
(Smart bomb)
Uranium from arms are us
(Smart bomb)
Here's something for your first born
(Smart bomb)
George Bush Junior, sing along
(Smart bomb)
Ooh ooh
(Smart bomb){You mean you're tellin' me in Europe when
You get coffee you have to pay for each cup?
Yep
Donny, is that a high end cup or a mid range cup?}
