

Nature Of The Beast

My Darkest Days

Your needs need attention, I'm blinded by the truth
Let me release the tension that's taking hold of you

It's only natural to free the animal (inside)
The nature of the beast is, you want it
Nature of the beast is, I do too
Let's unleash and cut the creature loose
Oh, it's the nature of the beast in you

You wrap yourself around me a tightening the noose
Dropped in the cage surrounding the sinful side of you

It's only natural to free the animal (inside)
The nature of the beast is, you want it
Nature of the beast is, I do too
Let's unleash and cut the creature loose
Oh, it's the nature of the beast in you

It's only natural to free the animal (let me fly)
The nature of the beast is, you want it
Nature of the beast is, I do too
Let's unleash and cut the creature loose
Oh, it's the nature of the beast in you

The nature of the beast is, you want it
Nature of the beast is, I do too
Let's unleash and cut the creature loose
Oh, it's the nature of the beast in you

You you
You you
You you
