

Young Forever

The Ready Set

We'll be young forever
We'll be young forever
We can be like prisoners
Yeah, and we can be alone
We can make a mess like no one knows
And risk it on our own
Spendin' the money that we don't have
'Cause we don't get our owe
Livin' like kings with broken strings
And our face down to the floor
Livin' with our headphones up
We got sound and that's enough
Nobody can touch us
And we run and we run and we run
Hey, hey, we'll be young forever
We'll be young forever 'til forever stops
We're singing, hey, hey, we'll be young forever
Tonight we'll last forever 'til our bodies drop
We can run through the night
Write our name up in the sky
Got the music on the side
Ain't nobody gonna catch us singin'
Hey, hey, we'll be young forever
All the world forever and we'll never stop
Look at us, look at us
We'll take the whole world by surprise
Million dollar mindset in place
You can see it in our eyes
Everything here is ours to take
So come and take your side
Livin' like kings with broken strings
And the beats so synthesized
We can turn the speakers up
'Cause we got sound and that's enough
Nobody can touch us
And we rock and we rock and we rock
Hey, hey, we'll be young forever
We'll be young forever 'til forever stops
We're singing, hey, hey, we'll be young forever

Tonight we'll last forever 'til our bodies drop
We can run through the night
Write our name up in the sky
Got the music on the side
Ain't nobody gonna catch us singin'
Hey, hey, we'll be young forever
All the world forever and we'll never stop
We're gonna rule the world tonight
Feel how the drum keep time tonight
Tonight we'll last forever 'til our bodies drop
Hey, hey, we'll be young forever
We'll be young forever 'til forever stops
We're singing, hey, hey, we'll be young forever
Tonight we'll last forever 'til our bodies drop
We can run through the night
Write our name up in the sky
Got the music on the side
Nobody gonna catch us singin'
Hey, hey, we'll be young forever
All the world forever and we'll never stop
We can run, run, run away
