

# High Tide or Low Tide (Jamaican Version)

## Bob Marley & The Wailers

(Wo-oh, mmm)  
In high seas or in low seas  
I'm gonna be your friend  
I'm gonna be your friend  
In high seas or in low seas  
I'll be by your side  
I'll be by your side I heard her praying, praying, praying  
I said, I heard my mother  
She was praying (praying, praying, praying) yeah, and I  
And the words that she said (the words that she said)  
They still-a lingers in my head (lingers in my head)  
She said "a child is born in this world  
He needs protection." Wo-oh  
God guide and protect us  
When we're wrong, please correct us (when we're wrong, correct us)  
And stand by me In high seas or in low seas  
I'm gonna be your friend  
He said, "I'm gonna be your friend"  
And, baby, high tide or in low tide  
I'll be by your side  
I'll be by your side I said, I heard my mother  
She was cryin' (I heard her cryin'), yeah! (Cryin', cryin')  
And the tears that she shed (the tears that she shed)  
They still lingers in my head (lingers in my head)  
She said "a child is born in this world  
He needs protection" God, guide and protect us  
When we're wrong (when we're wrong), please correct us. (O-oh)  
And in high seas or in low seas  
I'm gonna be your friend  
I'm gonna be your friend  
Said, in high tide or in low tide  
I'll be by your side  
I'll be by your side High seas, in low seas  
I'm gonna be your friend  
I'm gonna be your friend  
High tide or in low tide  
I'll be by your side  
I'll be by your side
