Like It Or Not

Architecture In Helsinki

I'll tell you anything but not the truth
My Mum thinks she's in love with you and I'm not
And just to be sure do you wanna ride
Let me tell you something about christmas time when it's hot
when were cornered
in a bid to scare
I kept you from my reaches
didnt mean to care
what we got
do you like it or not?
I'm changing all your pills to vitamins
You got me eating form your hands
girl we're locked
Round about 10 with a love tattoo
you left me in your cell
the things you do
when you're rot

wa wa wa
when were cornered
in a bid to scare
I kept you from my reaches
didnt mean to care
what we got
do you like it or not?
I'll tell you anything but not the truth
My Mum thinks she's in love with you and I'm not
And just to be sure do you wanna ride
Let me tell you something about new york when it's hot
Enormously Low
No It's true
There's never been a knife that cuts me half as deep as you
and wide for you
despite the dreams that others grow
