

# The Garden

Ed Askew

White ribbon  
Wedding gown  
She walked into the garden  
What has she found  
    Oh sorrow  
    Untold sorrow  
There would be no groom  
    She left him as she  
        Found him  
        Empty inside

But this time it was  
    Much too late  
    Nothing to hide  
    Oh her soul  
Never left the garden  
    Black ribbon  
    Long black gown  
She's walking through  
    Her memory  
    She's so alone
