

# A Little More Time

## The Early November

I know my timing's bad  
so I'm forcing up an, an apologetic smile  
and just being myself  
I've gone and made my own disguise  
I was never good at talking  
but the preps are so fantastic  
wait for me here, I'll find a home  
making a midst of the perfect 90's radio song  
to chalk this up to spite  
and although I wasted time  
I need some more of it  
I though I'd I'll yell a little  
to show my hometown I'm alive  
And the sea of fenders

I find my only life  
wait for me here, I'll find a home  
making a midst of the perfect 90's radio song  
wait for me here, I'll find a home  
making a midst of the perfect 90's radio song  
da da da...la da da...la da da  
wait for me here, I'll find a home  
making a midst of the perfect 90's radio song  
wait for me here, I'll find a home  
making a midst of the perfect 90's radio song
