Booty Man

The Springstreeters

One, two buckle my shoes
Three, four step inside the venue and see in the corner of my eye
This beautiful girl, is standing by the bar looking fly
She was like a beauty queen out of a magazine looked about nineteen
Five minutes talking next thing's her number being writtenIf you're looking for the man that can
Go check all the girls messing up with your program
The lyrics that make you say, "Damn, the Booty Man can"
Click off, click on www.cd.com, international bomb
The Booty Man's really got it goin' onOne, two unbuckle my shoe
Kissin' and cuddlin' at my crib after the venue
And I didn't wanna take it too fast so I said, "Slow, slow"
I gotta make some calls so keep it down low
She was like I can't believe you wanna talk instead of makin' love to me
Five minutes chillin' next thing's my name, she's callingIf you're looking for the man that can
Go check all the girls messing up with your program
